- Admitted students must complete the Free Application for Federal Student Aid (FAFSA). It is recommended that the student completes the FAFSA after completion and submission of the 2018 IRS Tax Return In order to avoid delay and having to go back to change information or making corrections. The completion and submission of 2018 IRS tax return will allow the student and or parent(s) to use the IRS data retrieval tool when prompted during the FAFSA completion and will provide accurate financial information and therefore expedite the award process.
- Admitted students must submit a valid Student Aid Report (SAR) and complete a CTECS Financial Aid Application Packet available from the school's financial aid liaison.
- The CTECS deadline for applying for a Pell grant for the 2018-2019 academic year is as follows:  
**\*Applicants applying and accepted for a program after the specified deadlines can still apply for a Pell grant.**
- If a student is deemed ineligible for financial aid, outstanding tuition is due five days following receipt of the denial notification.
- If a student is notified that their financial aid award will not cover the entire semester tuition cost, all tuition and fees are due five days following receipt of the award notice or by the regular tuition deadline, whichever is later.
- The federal government randomly selects Pell grant applications for verification. If your application is selected for verification, you will be notified by the Financial Aid Administrator and additional supporting documentation must be submitted by the specified deadline.
