REAL JOBS FOR REAL CUSTOMERS IN CT.

CONNECTICUT TECHNICAL HIGH SCHOOL SYSTEM'S STUDENT WORKFORCE HAIRDRESSING AND COSMETOLOGY SHOPS ARE OPEN TO THE PUBLIC.

They offer a wide range of cosmetology services at many of our technical high schools. These shops handle everything from manicures, pedicures and facials to haircuts, color, highlights and updos. Each hairdressing and cosmetology shop features state-of-the-art technology and is run entirely by the junior and senior Hairdressing and Cosmetology students with assistance from the sophomore class and supervision from their instructors. The students handle making appointments with customers and the actual work itself. All services are offered weekdays during school hours, 7:30 a.m. – 2:00 p.m.

These shops are an integral part of our Hairdressing and Cosmetology training. When you choose to have your hair or skin care services done, you're providing students with invaluable, real-world experience. Not to mention, you'll receive high quality service at reasonable prices that will keep you coming back to us for all of your hair, skin and nail care needs.
