VIII. Items for Discussion

A. Strategic Plan Update

Mr. Trefry thanked Thomas P. Miller (TPM) and Associates for joining us today and providing an update to the CTHSS Board. TPM presented to the Board where they are in the strategic planning process, the areas of focus, and a snapshot analysis of both the Connecticut Labor market and CTHSS data leading toward a better understanding of the CTHSS trade cluster alignment with the Connecticut’s labor market needs.

The next step of the alignment process is determining the primary areas of focus for the foundation of the CTHSS Strategic Plan while keeping in mind the key benchmarks of the national and international models. TPM presented areas of focus which were derived from interviews, focus groups and best practice research including: Interviews with each CTHSS board members; interviews with over 25 additional individuals including education consultants, union representatives, employers and members of higher education; focus groups with students and teachers; and national and international best practice research.
The areas of focus points for discussion are:

1. Clarity, Consistence and Collaboration  
2. Alignment of Trades with Industry Needs  
3. Enhanced Employer Engagement  
4. Alignment of K-12, Post-Secondary, and Adult Systems and  
5. Flexibility, Responsiveness and Innovation

The Board members discussed key assets and challenges facing the system, began to identify which challenges are the most important to overcome and discussed and identified potential priorities for the CTHSS.

Commissioner Smith indicated that emerging employment areas include: green technology, digital media, health care, finance, manufacturing, and tourism and hospitality. Interim Superintendent Torres agreed.

Next Steps include sending board members a revised Focus Area document for the board’s review.

A copy of the Thomas P. Miller and Associates presentation is included in the official file of this meeting.

X. Committee Reports

A. Quality and Policy

Ms. Keavney reported that the committee met on Monday, December 16, 2013 and discussed the SHEFF initiative, Project Lead the Way and why this program would not be suitable for the CTHSS. The committee recommended approval of the background checks for adult LPN programs and Mr. Bundschu presented information regarding the Skills Initiative Roadshow sponsored by the German Embassy. The purpose of the Skills Initiative Roadshow is to establish a dialogue regarding the German dual workforce training program. The SDE and CTHSS are interested in a partnership with the German Embassy to explore international career and technical education model.

B. Finance and Facilities

Mr. Barrasso reported that the committee met on Tuesday, December 10, 2013 and discussed CTHSS inventory and the WFSB-3 news story entitled “You Bought It, They Lost It” regarding missing or lost inventory in the Connecticut Technical High School System (CTHSS) and how important points made in the story of critical information were omitted. Interim Superintendent clarified original cost values and the book values for Platt THS and Vinal THS for items not found during the official inventory at these facilities. The Committee also discussed and recommended approval of the budget expansion items for 2014-15.

C. Outreach & Stakeholder Partnerships

Mr. Vrabely reported that the committee met on December 17, 2013 with the strategic planning firm, Thomas P. Miller and Associates. The present plan is to use the Outreach and Stakeholder Partnerships Sub Committee as a working group to flesh out ideas and
prioritize goals and strategies. The Committee discussed key assets and challenges facing the system, began to identify which challenges are the most important to overcome and discussed and identified potential priorities, and went over five areas of focus points.
