Kaynor Tech Dive Star Heads to Yale

Matheus Silva is a health technology trade student at W.F. Kaynor Technical High School and a Waterbury resident. Throughout his high school years, he has quickly become one of the best divers in the Naugatuck Valley League. A 2019 Connecticut Association of Schools Scholar Athlete and undefeated regionally in individual diving over the last two years, Matheus has a promising athletic career ahead of him.

But that's not all.

Matheus has been admitted to Yale University for fall 2019 classes and plans to enter the pre-medical major. He aspires to become a cardiac surgeon.

According to Matheus, Kaynor Tech not only gave him the technical background to enter the medical field with confidence, but also taught him leadership skills and the value of giving back to his community.
