## 2024-2025 Fall Adult Education Courses

Below are the differences in the way to take the course:

Async (Fully Online at the student's own pace) (A)

	Н	ybrid	(I og		into	In	i-Pe	rson	(In t	the s	scho	ol c	only)	(1)				clas	ss) (I	4)														
		Abbott Bristol Kaynor Norwich Prince																																
Course Name	Course Number	М	т	V R	ASY	М	Т	W	R	ASY	М	Т	W	R A	SY N	и.	T V	V F	R AS	ΥM	ı	W	R	AS۱	М	Т	W	R	ASY	М	Т	W	R	ASY
Air Conditioning	A0785															Т		Т							Н									
Algebra with Trigonometry	A0005													T											Н						Н			
Barbering 1:State Laws and Guidelines	A0200	Н														T									Н					Н				
Barbering 2: Chem Proced, Hair & Treat	A0201		H	1												T											Н					Н		
Barbering 3: Hair, Skin Facial and Manic	A0202																								Н									
Basic Alarm Technology	A0927						Н				ı					T												Н						
Basic Math Computations	A0001					Н							ı			T											Н			Н				
Basic Telecommunications	A0924											T																Н						Α
Blueprint Reading	A0031					Н											Н										Н							Α
Brazing, Cutting and Metallurgy	A2113																									Н			Α					
Drain, Waste Vent I	A0706																Н																	
Drain, Waste Vent II	A0746																			Н								Н						
Electrical Code I	A0904	Н															ŀ	1		Н								Н						Α
Electrical Code II	A0905												1				Н																	
Electrical Code III	A0909													T				T									Н							
Electrical Code IV	A0910		ŀ	1								Τ				T		T																Α
Electrical Fundamentals	A0782						Н																			Н			Α					
Electrical Theory I	A0901		H	1																								Н	Α	Н				Α
Electrical Theory II	A0902										Τ									Н								Н						
EPA Refrigerant Standards	A0787																											Н						
Fire, Access, & CCTV Systems	A0928		H	1				Н					1								Н													
Fixtures, Appliances and Installation	A0708					Н																			Н									
Forced Air Heating and Cooling	A0790																									Н								
Gasoline Tank, Piping and Pump	A0749									Ī																			Α			Н		
Hairdressing I	A0521									Ī																		Н			Н			
Hairdressing II	A0522									ı																Н							Н	
Hairdressing V	A0526									Ī																	Н							
Heating Fundamentals	A0784									Ī																		Н			Н			

Heating- Hydronic and Steam	A0789						Н										I					Α				
HVAC Math	A0006		Н															Н		$\Box$		7				Н
HVAC Sheet Metal Theory I	A2901																					Α				
HVAC Sheet Metal Theory II	A2902																			Н						
International Mechanical Code	A0729	Н				Н					I											Α				
Intro to Plumbing	A0700																				Н			Н		
Logic Circuits II	A0926															Н					Н					
Machine Lab I	E0118													Н												
Machine Theory I	E0101												Н													
Motor Controls	A0906								-								Н	Н								Н
Oil Burner Controls & Servicing	A0791																				Н					
Oil Burner Fundamentals	A0783																			Н		Α				
OSHA 30	A0099													1					1						1	
Plumbing Code I	A0711				Н											Н						Α	Н			
Plumbing Code Part II	A0741						Н		I																	
Plumbing Math	A0014																	Н								Н
Power Distribution and Load Calculations	A0917										-										Н				Н	
Refrig: Domestic, Comm & Spec Systems	A0721															Н				Н		Α				
Refrigeration Fundamentals	A0781				Н																	Α				
Related Codes and Standards	A0730								I										Н			Α	Н			
Sheet Metal Layout I	A2904																					Α				
Sheet Metal Layout II	A2905																					Α				
Semiconductors for Electricians	A0908									Ī							Н			Н						
Sewer, Storm and Water Lines	A0754						Н															Α				
Special Piping and Installation	A0709																									Н
SMACNA	A2906																				Н					
Telecomb Cabling	A0925																									Α
Water Supplies	A0705																			Н						
Water Treatment	A0752					Н											Н					Α				
Welding I	A2101				Н																	Α				
Welding II	E2102							I														Α				
Welding Theory	A2100							I														Α				
Wells, Pumps and Piping I	A0750		Н					I														Α		Н		
Wells, Pumps and Piping II	A0751													T						T		Α			T
