## 2024-2025 Fall Adult Education Courses

Below are the differences in the way to take the course:
Async (Fully Online at the student's own pace) (A)
In-Person (In the school only) (I)

Hybrid (Logging into the software at the same time as the in-person class) (H)

	Hybrid (L	ogging into the software at the same time as the in-person class) (H)												)									<b>—</b>	_		_		_					
				Abbott		Bristol					B Havens					Kaynor					Norwich				Prince						Whitney		
Course Name	Course Number	М	Т	W	R AS	Y M	T	W	R	ASY	М	Т	W	R AS	Y M	Т	W	RA	S M	Т	W	R	ASY	М	Т	W	R /	۱SY	М	T	W	R A	ιSΥ
Air Conditioning	A0785																							Н									
Algebra with Trigonometry	A0005													1										Н						Н			
Barbering 1:State Laws and Guidelines	A0200	Н																						Н					Н				
Barbering 2: Chem Proced, Hair & Treat	A0201			Н																						Н					Н		
Barbering 3: Hair, Skin Facial and Manic	A0202																							Н									
Basic Alarm Technology	A0927						Н				1																Н						
Basic Math Computations	A0001					Н							1													Н			Н				
Basic Telecommunications	A0924											Ι															Н						Α
Blueprint Reading	A0031					Н										Н										Н							Α
Brazing, Cutting and Metallurgy	A2113																								Н			Α					
Drain, Waste Vent I	A0706															Н																	
Drain, Waste Vent II	A0746																		Н								Н						
Electrical Code I	A0904	Н															Н		Н								Н						Α
Electrical Code II	A0905												1			Н																	
Electrical Code III	A0909													1												Н							
Electrical Code IV	A0910			Н								Τ																					Α
Electrical Fundamentals	A0782						Н																		Н			Α					
Electrical Theory I	A0901			Н																							Н	Α	Н				Α
Electrical Theory II	A0902										Τ								Н								Н						
EPA Refrigerant Standards	A0787																										Н						
Fire, Access, & CCTV Systems	A0928			Н				Н					1							Н													
Fixtures, Appliances and Installation	A0708					Н																		Н									
Forced Air Heating and Cooling	A0790																								Н								
Gasoline Tank, Piping and Pump	A0749																											Α			Н		
Hairdressing I	A0521																										Н			Н			
Hairdressing II	A0522																								Н							Н	
Hairdressing V	A0526																									Н							
Heating Fundamentals	A0784																										Н			Н			
Heating- Hydronic and Steam	A0789							Н														I						Α					
HVAC Math	A0006			Н																				Н								Н	
HVAC Sheet Metal Theory I	A2901																											Α					
HVAC Sheet Metal Theory II	A2902																									Н							
International Mechanical Code	A0729	Н					Н							I														Α					

Intro to Plumbing	A0700																				Н			Н			
Logic Circuits I	A0914	T	T	T											T												Α
Logic Circuits II	A0926			T												Н					Н						
Machine Lab I	E0118													Н													
Machine Theory I	E0101												Н														
Motor Controls	A0906								1								Н	Н								Н	
Oil Burner Controls & Servicing	A0791																				Н						
Oil Burner Fundamentals	A0783																			Н		Α					
OSHA 30	A0099													Τ					Ι						1		
Plumbing Code I	A0711			H	1											Н						Α	Н				
Plumbing Code Part II	A0741					Н		1																			
Plumbing Math	A0014																	Н								Н	
Power Distribution and Load Calculations	A0917										1										Н				Н		
Refrig: Domestic, Comm & Spec Systems	A0721															Н				Н		Α					
Refrigeration Fundamentals	A0781			H	ł																	Α					
Related Codes and Standards	A0730			Т					1										Н			Α	Н				
Sheet Metal Layout I	A2904			Т																		Α					
Sheet Metal Layout II	A2905																					Α					
Semiconductors for Electricians	A0908									_							Н			Н							
Sewer, Storm and Water Lines	A0754					Н																Α					
Special Piping and Installation	A0709																									Н	
SMACNA	A2906																				Н						
Telecomb Cabling	A0925			Т																							Α
Water Supplies	A0705																			Н							
Water Treatment	A0752				Н												Н					Α					
Welding I	A2101			H	1																	Α					
Welding II	E2102																					Α					
Welding Theory	A2100																					Α					
Wells, Pumps and Piping I	A0750		Н																			Α		Н			
Wells, Pumps and Piping II	A0751																					Α
